St Antony's Centre has **2 dedicated** car parks which can be accessed from Village Court. There are also parking bays opposite the entrances to the car parks which are for the use of visitors to the Centre. If all these spaces are occupied there are free public car parking spaces on the car parks behind Lloyd House which can be accessed via Fourth Avenue or alternatively behind the Trafford Park Hotel, the entrance to which is further along Eleventh Street between the Centre and Gariff Construction.

Using Public Transport

The easiest way to reach the Centre via public transport is by using the 250 Bus service. This service departs Manchester Piccadilly Gardens (stand K) every 15 minutes after 7 am and takes around 25 minutes to reach the Centre stopping at Booth Street West/College of Music, Chester Road/Trafford Bar and then arriving at Village Way/Second Avenue which is the best stop at which to get off.

Once off the bus visitors to St Antony's should head in the same direction as the bus toward the Trafford Park Hotel - turning left immediately after this onto 3rd Avenue. St Antony's Centre is approximately 50 metres along this road on the right hand side.

The 250 bus service also runs in the opposite direction from the Trafford Centre Bus Station approximately every half hour from 7 am and takes less than 15 minutes to reach St Antony's. Again visitors should get off the bus at the Village Way/Second Avenue bus stop and head in the same direction as the bus but cross Village Way to reach 3rd Avenue - just before the Trafford Park Hotel.

For those wishing to use the Metrolink service the nearest stop is Trafford Bar - from there the 250 bus service heading out of Manchester City Centre and toward the Trafford Centre can be picked up.
